Click the grey **Raise Money for a Charity Organisation** button.

From your Page, click the Fundraisers tab from the menu on the left-hand side. Create a fundraiser by clicking the **+Raise Money** OR click **Create fundraiser** from the [...] drop-down menu on the Page below the cover photo.

STEP 2

Select **"Charity"** when asked Who are you raising money for?

STEP 3:

Select your charity's Page by searching for its name in the search bar.

STEP 4:

Click the drop-down prompt under **Who is organising the fundraiser?**

In the drop-down menu, the person creating the fundraiser will see their personal profile, along with any other Pages they admin that have been approved to create fundraisers. Select the charity **Page** that you want to create the fundraiser from.

STEP 5

Add a fundraising goal, currency and timing, and then click Next.

LAUNCHING YOUR FUNDRAISER

- Use a cover photo that illustrates the purpose of your cause. The cover photo is the largest asset that will be displayed on your fundraiser, so ensure that it catches people's attention right away.
- Descriptions should explain what the cause is, why people care about it and specifically what these donations will help to accomplish.
- Include the link to your fundraiser in any newsletters or email lists you may have.

DURING YOUR FUNDRAISER

- Reveal "milestones," that connect your fundraising to impact created.
- Encourage sharing of your fundraiser.
- Offer to match donations.
- "Like" and comment on supporters' donations as they come in.
- Say thanks! Mid-way through reaching the goal, post on the Fundraiser to thank everyone who has donated.

ENDING YOUR FUNDRAISER

- Once the goal is reached, post again on the Fundraiser page to thank donors for their generous support.
- Involve your audience. Interact with fans on your fundraising page. (Ex. Giving updates on fundraising progress or going Live within the Fundraiser to talk to your fans about the cause.)
