

Bradbury House

Newly Refurbished Care Home

A purpose-built nursing home providing care in the heart of the local community, now also offering state-of-the-art dementia care.

“ Life at Bradbury House is not just about care, it’s about an environment which makes each resident feel happy, dignified and respected. ”

Welcome Home

Here at Bradbury House we pride ourselves on providing a home from home, where residents feel comfortable and looked after but are able to live as independently as possible. We believe our residents deserve the very highest standards, so we are constantly striving to improve the care and support we provide.

Our Community

Bradbury House is situated on RBLI's Village in Aylesford, Kent; a development originally formed in 1919 to provide support and care for WW1 veterans.

Today, the Village is a vibrant and bustling community including a large number of Armed Forces veterans and their families. Residents benefit from being a part of a community while being able to enjoy amenities such as our Base Camp café and the Garden of Honour – a memorial garden offering a peaceful space to remember those who served.

“ The RBLI village is unique. It holds a special place in the hearts of many who have lived and worked there. ”
Amy, RBLI supporter

Our Home

Set amongst landscaped gardens in the heart of a village community in rural Kent, Bradbury House is a high-dependency, nursing & dementia facility. 50 single, private rooms with en-suite bathrooms, means residents are able to access 24-hour care with privacy and dignity in a home-from-home environment.

In addition, we have a communal dining room with social and living areas, as well as a wide selection of activities provided by our in-house Activities Co-ordinator to maintain a vibrant and happy community.

Private bedrooms, complete with their own front doors, alongside social living spaces, mean Bradbury House has the best of both worlds, and there is always someone for residents to talk to or an activity to get involved in.

Modern Updates

Bradbury House has recently undergone a complete refurbishment with the addition of a number of amenities to benefit the residents:

- ✓ Café Bon Bon – Social Area
- ✓ Club Lounge
- ✓ New private dining area for residents and families
- ✓ Cinema Room
- ✓ Large private gardens, including a patio area, woodland walk – bird tables, bird baths, attract wildlife – birds, squirrels, butterflies
- ✓ Private outside courtyard area
- ✓ Freshly decorated en suite bedrooms , with new TV's, telephone points and showers

Specialist Dementia Care

Since our refurbishment, Bradbury House is now home to specialist dementia suites built to provide top-level, around the clock care for those who need it. Created in an empathetic setting to enable comfortable living, our intention is to maintain residents' dignity and independence as much as we can.

Quality of Care

We know every resident has their own needs and wants when living at Bradbury House. That's why our care plans are based on individual assessments which involve the resident and their family and are formally reviewed and updated every month. Individual preferences are the basis of life with us and residents are also encouraged to personalise their rooms.

We understand the daily challenges those with dementia face and have the experience to deal with their ever-changing needs. Beyond the incredible new facilities we have designed especially for those with dementia, we have training and processes in place to ensure that our residents are looked after appropriately, as no two residents' needs are the same.

One of the many factors that set us apart from other care providers is our friendly, dedicated staff who constantly strive to ensure all our residents' needs are met. As well as recruiting the right people we are also passionate about developing and enhancing the careers of our employees, helping us all to grow and prosper.

“ This home is
truly home
from home ”

“ The care staff
were excellent
looking after me
and I felt secure. ”

Resident

Meet the Team

The staff at Bradbury House come from a wide variety of backgrounds & life experiences. Some have previously worked in Intensive Care or Accident and Emergency Departments, and their passion for caring is what has brought them to Bradbury House.

With years of experience between them, our staff make Bradbury House special, ensuring that residents are at the heart of everything we do. Together, staff and residents create a unique community which is more than just a nursing home.

“

Bradbury House offers beautifully decorated, light and spacious accommodation over two floors, specialising in nursing and dementia care. There are a number of communal areas offering a great community environment, alongside well-furnished private rooms with their own en-suite facilities. At RBLI our focus is always on care and community.”

*Andy
Assistant Director of Care*

We understand choosing the right place to be can be difficult and our team is here and happy to help. To book your visit to come and see us contact us by emailing **bradburyhouse@rbli.co.uk** or by calling **01622 791 056**

“ Our residents are at the heart of everything we do ”

Royal British Legion Industries

Established in 1919, Royal British Legion Industries is a national charity providing employment, welfare and accommodation support to military veterans, their families and dependants - as well as people with disabilities and those who have been long term unemployed.

The charity provides a home to more than 300 veterans and their families through their Aylesford village, including homeless veterans through their emergency accommodation. All veterans living on the village are provided with a tailored welfare support programme to help them regain their independence and overcome challenges caused by physical or mental disability, drug or alcohol dependency, and unemployment. RBLI is currently constructing the Centenary village, a £22m development which will see the charity support more of the country's most vulnerable veterans every year.
