Care homes

Bradbury House **Appleton Lodge**

Our community

Bradbury House and Appleton Lodge are situated on RBLI's village in Aylesford, Kent; a development originally formed in 1919 to provide support and care for WW1 veterans.

Today, the village is a vibrant and bustling community including a large number of Armed Forces veterans and their families. Residents benefit from being a part of a community while being able to enjoy amenities such as our Base Camp café and the Garden of Honour – a memorial garden offering a peaceful space to remember those who served.

“
*This home is
truly a home
from home*”

Daughter of a resident

“

Every single member of staff, without exception, have nothing but the resident's best interests at heart, not just in their role of 'caring' but also in the way they engage with them.

”

Nephew of resident

Bradbury House

A purpose-built nursing home providing care in the heart of the local community, also offering state-of-the-art dementia care.

We pride ourselves on providing a home from home, where residents feel comfortable and looked after but are able to live as independently as possible.

Amenities include a private dining area for residents and families, a cinema room and large private gardens, including a patio area, woodland walk – bird tables, bird baths, attract wildlife – birds, squirrels, butterflies

Specialist dementia care

Bradbury House is home to specialist dementia suites built to provide top-level, around the clock care for those who need it. Created in an empathetic setting to enable comfortable living, our intention is to maintain residents' dignity and independence as much as we can.

“

There a many lovely touches for the residents, each room has its own front door with a knocker on the outside and the communal rooms are great spaces to be.

Son of Resident

”

“

The care home is small so all the staff can get to know each resident really well and are able to devote time to finding out what makes them tick

Daughter of resident

”

Appleton Lodge

A welcoming nursing care facility with 15 spacious rooms with modern en-suite facilities and communal living spaces.

Named after WW1 frontline nurse Edith Appleton, this home provides the utmost quality of care to our residents but also the opportunity to be a part of the wider community.

A royal welcome

Her Majesty The Queen was welcomed to RBLI to unveil a plaque to open Appleton Lodge care home during our centenary year in 2019 before embarking on a tour of the Village, meeting staff and residents.

“

As soon as I visited Appleton Lodge I felt the warmth and care all the staff have for their residents. It felt like a family environment.

”

Daughter of Resident

Life in our care

We know every resident has their own needs and that's why our care plans are based on individual assessments which involve the resident and their family and are formally reviewed and updated every month.

“

All the staff are very kind and supportive. Nothing has been too much trouble in helping my mother to settle in. Everyone works as a team and I have been kept updated with everything.

”

Daughter of resident

Home cooked food

At both our care homes, our team creates comforting meals using fresh, quality ingredients. We believe in the heartwarming taste of homemade dishes that bring a sense of home to our residents. From hearty stews to delightful desserts, our goal is to provide nutritious and delicious home-prepared meals that make our residents feel comfortable.

Wellbeing activities

We invite guests on a daily basis to create an engaging atmosphere for all of our residents in our care homes, from bingo to therapy dogs and painting, the residents are able to take part in as much or as little as they feel comfortable with.

Dementia garden

We have recently opened our new courtyard garden. Designed with residents in mind and to be easily accessible, it is an ideal space for the residents to enjoy, relax, or help maintain, contributing to both physical and mental wellbeing for all residents at both care homes.

“

There is outside space for my mother to enjoy, with a small woodland walk, two courtyards, and a very nice, friendly feel to it.

”

Contact

Our experienced staff ensure that residents are at the heart of everything we do. Together, staff and residents create a unique community which is more than just a nursing home.

We appreciate the value of teamwork and how important it is in order to offer a consistent level of compassion and professionalism to every resident.

“

At RBLI we are very proud to offer tailored, personalised care and assistance for your loved one – depending on their individual needs. Our care homes and assisted living facilities offer beautifully decorated, light and spacious accommodation.

”

Jane Holden
Admissions Manager

Royal British Legion Industries

Established in 1919, Royal British Legion Industries is a national charity providing employment, welfare and accommodation support to military veterans, their families and dependants - as well as people with disabilities and those who have been long term unemployed.

The charity provides a home to more than 300 veterans and their families through their Aylesford village, including homeless veterans through their emergency accommodation. All veterans living on the village are provided with a tailored welfare support programme to help them regain their independence and overcome challenges caused by physical or mental disability, drug or alcohol dependency, and unemployment.

RBLI is currently constructing the Centenary village, a £22m development which will see the charity support more of the country's most vulnerable veterans every year.

Let's stand up for those who stood up for us
