

## James' Story

James first came to RBLI when he found himself homeless on Christmas morning, after 8 months of living in his car. James had served for 12 years, including three tours in Afghanistan. At the age of 37, James was medically discharged due to severe injuries sustained in his final tour, combined with PTSD. He returned to his wife and family, hoping to begin the next stage of his life. At this point, he had no idea what his future was to bring.

***“Serving in Afghanistan was an honour, but it also changed my life forever. All I wanted to do was join the Army – when I got in, my mum and dad were so proud. But when I left, I did not know where to turn.”***

After leaving the forces, James faced severe battles with his mental health. His drinking spiralled which led directly to the breakdown of his marriage and made it impossible to stay in employment. He was in desperate need of a fresh start.

***“I just lost my sense of self and the nightmares were overwhelming. I wasn't me anymore.”***

Once referred to RBLI, James was immediately moved into our emergency accommodation, Mountbatten Pavilion. He was assessed by RBLI's skilled welfare team and a care programme was put in place to help him. He was supported to stop drinking and offered the professional assistance that was so important to his recovery.

Over time, RBLI worked with James on his personal goals, helping him to see a future where he could work again and live an independent life. James was encouraged to take part in RBLI's employment support programme, LifeWorks. The programme reminded him of the wealth of skills he has to offer.

Today, James' life is entirely different.

Thanks to the practical and emotional support offered by RBLI, James has been able rebuild his life, focusing on repairing his relationship with his family. With RBLI's support James has now successfully secured employment as a Landscaper and lives fully independently.

***“I just don't even want to think about where I'd be right now, if it wasn't for RBLI. They have supported me through every step of my recovery and myself and my family are so grateful to them. Without RBLI, I would not be alive today.”***
