Where the money goes

RBLI provides

Emergency accommodation

Every veteran's story is different and the circumstances that contribute to them becoming homeless are varied but many find it very difficult to re-adjust to life outside of the military. We can move veterans into our emergency housing, Mountbatten Pavilion, within 24 hours.

Employment and training

Around the UK we offer unemployed veterans a free, five day course called LifeWorks. It offers one to one support helping them to rediscover their skill set, teaching practical tools for finding a job but most of all it gives them confidence which has so often been lost since leaving the forces. This course genuinely changes lives with 83% of veterans in employment within a year of completing the course.

Practical welfare support

Whether it's support with housing, drug or alcohol dependency, financial issues or relationship breakdowns, our dedicated welfare team will create a plan specifically to help with any immediate issues when a veteran joins our village community.

RBLI's multigenerational village provides vital support and housing to over 300 veterans and their families

Mental health resources

We know that at least 70% of all new veterans on our extensive waiting list for support and emergency accommodation are living with mental health challenges. We help veterans with mental health issues learn to manage health conditions, rebuild belief and regain independence.

Assisted living

Our veterans' housing is ideal for younger families who may be adjusting to civilian life or single veterans who need support. Residents enjoy a lively ex-military community with a real neighbourhood feel. Our village is a place that you can truly call home, with schools, amenities, welfare support and employment opportunities on the doorstep.

Care and mobility

We offer a range of care facilities including specialist Dementia care. We are able to offer a tailored service for each individual, providing each resident with the support they need to lead as independent life as possible. Residents are able to access 24-hour care, with longer term specialist care as well as shorter respite care packages.

None of this would be possible without donations from supporters like you!
