

# Real Support. Lasting Impact.

## Royal British Legion Industries (RBLI)

### WHO WE ARE

We are a national charity delivering tangible change for veterans, their families, and people with disabilities.

For more than 105 years, RBLI has provided life-changing support through housing, employment, and welfare. Based at our 75-acre village in Kent, we combine community, dignity, and opportunity to empower those most in need.

RBLI delivers direct, personalised support, shaped around individual needs. Our work creates stability, independence, and lasting change for those we serve.

### Your Fundraising Helps Support:

#### SAFE, ADAPTABLE HOUSING AND WELFARE

We house more than 340 veterans and family members at our village in Kent, offering everything from emergency accommodation at Mountbatten Pavilion to Supported Living homes and family housing in our expanding Centenary Village.

Our Step In model offers holistic care, including welfare advice, counselling and independent living coaching, tailored to each individual's needs.

## SUSTAINABLE EMPLOYMENT OPPORTUNITIES

Through our social enterprises, Britain's Bravest Manufacturing Company and Scotland's Bravest Manufacturing Company, we offer long-term, skilled jobs. Veterans and people with disabilities produce commercial signage, print, and fulfilment services, building purpose and confidence through employment.

## PERSONALISED CAREER SUPPORT

Lifeworks is our free, award-winning employability programme helping veterans and their families develop skills, gain qualifications, and confidently transition into civilian careers.

We don't just raise awareness of veteran homelessness.  
**We build homes.**

We don't just encourage employment.  
**We create jobs.**

We don't just offer guidance.  
**We provide long-term care, stability, and lasting opportunity.**
